

Fabrice Leu holds a degree in Naturopathy from the Swiss Confederation and is one of the first in Switzerland to obtain this title.

He is a Certified Naturopath and has been practicing for more than 25 years and specializes in European Natural Traditional Medicine.

He has his own practice in Geneva and Aigle, Switzerland.

Fabrice Leu :

- Has Powerful problem-solving capabilities in his field.
- A strong relationship with his patients in order to better serve them and their ailments
- Provide impeccable care to patients using expert traditional medicine knowledge and communication skills

He is also a professor at: Ecole de Naturopathie MTE (naturopathiemte.com).

He has written a number of excellent books about health and gives public talk in Europe and Asia to share his knowledge.

Some of his books are used as a learning tool in Naturopathy schools in Switzerland.
