

## BIO

Tina Hausser, Heilpraktiker (HP), Naturopath Dipl. is a licensed Naturopath passing the German state exam for Naturopaths in 1995 and opened her Naturopathic Clinics in Germany 1996 and Spain in 2006. Her practice is integrated in an international clinic concept with other health care professionals. Tina is specialized in combining Traditional Chinese Medicine (TCM) and Naturopathy in practice applying naturopathic modalities for a person centered health support.

Tina has been teaching since 1997 in Naturopathic educational institutes in Germany, Spain and Slovenia in both disciplines as member of the Spanish faculty of recognized naturopathic instructors carrying the highest title of “Naturólogo” in Spain. She is also invited to Naturopathic congresses as an expert and keynote speaker around the world. Tina Hausser is the Vice President for international relationships of the Spanish Naturopathic Organization OCN FENACO and a member of the German Naturopathic Association FDH. Tina is the 1<sup>st</sup> Vice President of the World Naturopathic Federation WNF. Tina sits on numerous professional committees and chairs the WNF naturopathic roots committee, communications committee and membership committee and co-chairs the educational committee.

As an author, Tina is publishing in naturopathic journals and has written several books on naturopathic topics including: *Akupunktur und Naturheilkunde – Das neue Therapiekonzept und die Umsetzung in die Praxis* - a textbook about the combination of TCM and Naturopathy in clinical practice, *Spagyrische Einzelmittel: Die 50 wichtigsten Pflanzen im Porträt* - a textbook on herbs described in its quality effect and *Chinesische Pulsdiagnose auf den Punkt gebracht* - a textbook about Chinese pulse diagnosis.
